EXHIBIT 1-B

MANAGEMENT PLAN FORMAT

The management plan adopted by the local government should reflect the actual procedures utilized by the local government and based on the duties assigned to the various people involved in the project.

Note: This example should not simply be copied. It is only provided as an example to help the local government create their own plan that is structured upon the actual procedures utilized by the local government and based on the duties assigned to the various people involved in the project.

I. <u>Administrative Structure</u> (This may be modified to accurately reflect the type of entity that has been awarded TSEP funds.)
The City of is an incorporated city with a Mayor-Council form of government. The following persons will have lead responsibility for administering the City's FY Treasure State Endowment Program (TSEP) public facilities project for water improvements:
Mayor, as the City's chief elected official will have responsibility for all official contacts with the Montana Department of Commerce. The Mayor and City Council will have ultimate authority and responsibility for the management of project activities and expenditure of TSEP funds. The approval of all contracts and drawdown requests will be the responsibility of the City Council. (Telephone)
, Clerk-Treasurer, as the City's chief financial officer, will be responsible for management of, and record keeping for, the TSEP funds and other funds involved in the financing of the water project. (Telephone)
, Director of the City-County Planning Board, will be designated as Grant Manager and be responsible for overall grant management and assuring compliance with applicable federal and state requirements for the TSEP project. The Grant Manager will serve as the City's liaison with Commerce for the project. One-fourth of this position's time will be devoted to TSEP administration during the term of the project. (Telephone)
, City Attorney, as the City's legal counsel, will review and advise the Mayor and Council regarding any proposed contractual agreements associated with the TSEP project and provide any other legal guidance as requested. (Telephone)

		, Project	Engine	er, will l	be responsibl	e for o	construc	tion-rel	ated
activities	including	preparation	of pre	liminary	engineering,	final	design	plans	and
specificat	ions, as we	ell as constru	ction ins	pection.	Contractor co	mpliar	nce, sche	eduling,	and
payment	requests v	will also be s	subject t	to the P	roject Engine	er's re	view and	d appro	oval.
(Telephor	ne)	-						

II. <u>Grant Management</u>

- A. The Grant Manager will be responsible for:
 - 1. Compliance with any applicable environmental requirements.
 - 2. Assist the Grant Recipient with all requirements related to effective project start-up and implementation and developing a contract with Commerce.
 - Preparing any legal notices required to be published, and processing and conducting any required public hearings or informational meetings.
 - Establishing and maintaining complete and accurate project files and preparing all documentation and reports incidental to administration of the grant.
 - 5. Assisting the Grant Recipient with selection of the Project Engineer, in conformance with State procurement requirements, including the preparation of requests for proposals for publication or other distribution.
 - 6. Reviewing all proposed project expenditures or requests for payment to ensure their propriety and proper allocation of expenditures to the TSEP budget.
 - 7. In cooperation with the Clerk-Treasurer, processing payment requests and preparing drawdown requests to Commerce, including the Request for Payment and Status of Funds Report and the Project Progress Report.
 - 8. Monitoring the contractor selection process, including the bid advertising, tabulation and award process for conformance to TSEP

- requirements. The manager will review the construction contract provisions for TSEP compliance.
- 9. Attending the preconstruction conference and monthly construction progress meetings.
- 10. Monitoring contractor compliance with applicable requirements.
- 11. Assuring compliance with all state labor standards requirements. Responsibilities will include the review of weekly payroll reports to assure compliance with state prevailing wage requirements; periodic visits to the construction site to assure that required equal opportunity, labor standards, and prevailing wage determinations have been posted; and conducting on-site interviews with construction personnel to assure prevailing wage compliance.
- 12. Assuring compliance with applicable equal opportunity requirements.
- 13. Preparing all required performance reports and project closeout documents for submittal to Commerce and assist the Grant Recipient with the selection of an independent auditor.
- 14. Attending Council meetings to provide project status reports and representing the TSEP project at any other public meetings, as deemed necessary by the Mayor.
- 15. Receiving official project complaints and ensuring that complaints are reasonably addressed in a timely manner.
- B. The Project Engineer will be responsible for:
 - 1. Design and construction engineering.
 - 2. Preparation of the construction bid package in conformance with applicable TSEP requirements and supervision of the bid advertising, tabulation, and award process, including the preparation of the advertisements for bid solicitation, conducting the bid opening, and issuance of the notice to proceed.
 - 3. Conducting the preconstruction conference, with the assistance of the grant manager.

- 4. Supervision of construction work and preparation of inspection reports.
- 5. Reviewing and approving all contractor requests for payment and submitting the approved requests to the Grant Recipient.

III. Financial Management

- A. The Clerk-Treasurer's financial responsibilities will be as follows:
 - 1. Managing the transfer of TSEP funds from Commerce to the grant recipient's bank account and disbursing TSEP funds based on claims and supporting documents approved by the grant manager, project engineer, and contractor.
 - 2. Entering all project transactions into the Grant Recipient's existing accounting system (BARS), and preparing checks/warrants for approved expenditures.
 - With the assistance of the Grant Manager, preparing the Request for Payment and Status of Funds Reports to be submitted to Commerce. All drawdown requests will be signed by two of the three persons designated on the TSEP Signatory Form. No expenditures will be made without the approval of the Council at a regular meeting.
 - 4. With the assistance of the Grant Manager, preparing the final financial reports for project closeout.
- B. The Grant Manager and Clerk-Treasurer will review all proposed expenditures of TSEP funds and will prepare drawdown requests, which will be signed by the officials cited above. All disbursements will be handled in accordance with the Grant Recipient's established claim review procedures. Before submitting the claim to the Clerk-Treasurer, the Grant Manager will attach a certification to each claim stating that the proposed expenditure is an eligible expense of the Grant Recipient's TSEP project and consistent with the project budget. The Council will review all claims before approving them.
- C. Financial record keeping will be done in conformance with the recommendations of the Montana Department of Administration's Local Government Services Bureau as described in Chapter 4 of the <u>TSEP Administration Manual</u>. The original financial documents (claims with attached supporting material) will be retained in the Grant Recipient's offices.
